## COLOUR CREATION KIT - create your own nail polish

We understand that sometimes you just want to have a unique nail colour to express yourself, to make a statement or to convey an image of playful youthfulness.

Now with this Colour Creation Kit, we've made it easy, fun and safe for you to create the colour of your dream.

With the three primary colours, Red, Yellow & Blue, plus the white and the black, this kit offers endless nail polish colour possibilities.

Color can be the most powerful design element if you learn to use it effectively.

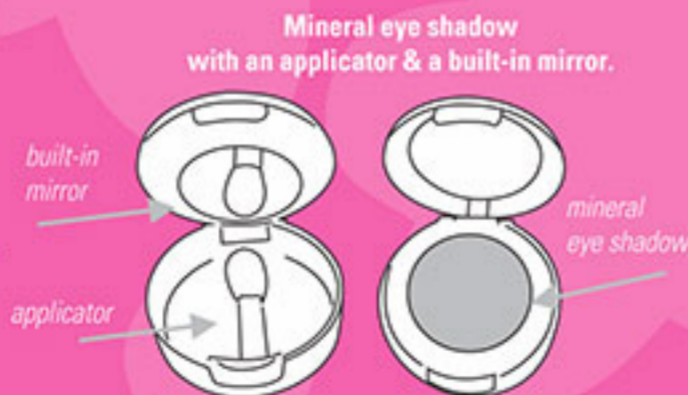

**Get creative and colourful!**

## PLAY MAKE-UP KIT

with pressed powder mineral eye shadow

This NEW play makeup kit offers vibrant, matching eye shadow, nail polish shades and a soft, smooth texture all natural lip gloss. Perfect for your dress-up party, spa-day or sleepovers.

The two pretty nail polishes in the kit are water-based, odourless and peelable without the smelly and toxic chemicals! The pressed powder mineral eye shadow compact has an applicator and a built-in mirror, make it fun and easy for any event.
